

Mama Monarch

Sponge Painting Activity

Materials needed:

Construction Paper (we recommend sky blue)

Washable Paint (2-3 colors for older children, 1 color for younger)

Chalk

Sponge

Thick Rubber Band or Hair Tie

Paper Plate

Steps:

1. Using the rubber band or hair tie, wrap around the middle of the sponge a couple times.

This gives you your butterfly shape.

2. Pour out your paint colors onto a plate.

(If using 2 or 3 colors, lay them out in horizontal lines almost touching each other.)

3. Press the sponge into poured paint.

(Make sure to cover the bottom of the sponge evenly.)

4. Press the paint covered sponge onto the construction paper.

5. Complete your scene with chalk.
