## BLUE MANATEE PRESS PROUDLY PARTNERS WITH NONPROFIT ORGANIZATIONS

Founded in 2011, **blue manatee press** is rooted in a mission to create meaningful, enduring books that help bring grownups and children together.

A major part of the blue manatee press mission is to create and distribute excellent children's books that convey important, evidence-based health information for families of infants and young children in a readable, nurturing way. As well as to create children's books that encourage shared reading moments, literacy development, and imaginative play.

Led by a pediatrician with unique expertise in general and health literacy, we seek to redefine how such information is shared, especially in at-risk populations. We seek partnerships with public libraries, health organizations and hospitals, and other non-profit advocacy organizations to assist with community outreach programs (*this special partnership pricing is not for general circulation*), to help ensure that the story for all children is a happy and healthy one.
